Dear Ms. Smith,

Tennessee Gas Pipeline Company, L.L.C. (TGP) is in receipt of your August 31, 2021 letter describing a Freedom of Information Act (FOIA) request to Tennessee Valley Authority (TVA) for a copy of the Precedent Agreement between TVA and TGP.

TGP has attached (1) the redacted copy of the Precedent Agreement and (2) a document that highlights the redactions for your convenience. The redacted information is protected confidential commercial and financial information in accordance with FOIA exemption 4. The redacted information includes detail associated with an open season to be held to solicit interest in capacity associated with the Precedent Agreement. TGP will evaluate the bids as a whole to determine the highest value for the capacity. Disclosing the redacted information could provide potential third party bidders information about how the capacity has been valued. The redacted information also includes project facilities and locations to be determined that cannot be made available until the facilities have been finalized. This project information can be identified when TGP submits a certificate application to the Federal Energy Regulatory Commission.

Please feel free to contact me if you have any questions or concerns about the redacted information.

Thanks,
Preston
